

D&S IFCA Byelaw & Permitting Sub-Committee Meeting – 26th February 2019

Resulting Actions from 20th November 2018

1	D&S IFCA Officers	To summarise the key aspects of the relevant legislation and use it in communications work intended to raise awareness to the industry of the legal requirements regarding soft shell species.
2	DCO Clark	To prepare a paper for the Sub-Committee focussing on what is known about the biology and life history of the species and where the gaps in knowledge lie.
3	DCO Clark	DCO Clark to undertake correspondence with all relevant contacts relevant to a request from a stakeholder to review spatial access for mobile fishing vessels near Plymouth.
4	PPO Townsend	To conduct a further doodle poll to arrange a suitable date for the February B&PSC Meeting – including options for the beginning and the end of February 2019.
