## COVID – 19 Update:

**D&S IFCA continues to operate, but with a reduced service**

D&S IFCA is still operating, but with a reduced service.

As the situation with Covid-19 is constantly evolving and the Government's advice is updated daily, we have made the decision to request that members of the public do not visit the Brixham Laboratory site and D&S IFCA offices, for everyone's safety.

If you wish to talk to a member of D&S IFCA staff, please call us on 01803 854648 or email [office@devonandsevernifca.gov.uk](mailto:office@devonandsevernifca.gov.uk)

Please be prepared to leave a message and we will respond as quickly as possible.

If you wish to apply for a permit you can still do so online or by contacting the office.

Please be aware that it may take slightly longer than normal to process your permit application.

We will update the website and our Facebook page with more news during the coming weeks.

Thank you.
