

Devon and Severn IFCA News

COVID – 19 Update – 24th March 2020:

D&S IFCA continues to operate, but with a reduced service

D&S IFCA is still operating, but with a reduced service.

The situation with Covid-19 is constantly evolving and the Government's advice is updated daily. In line with the Government's advice (issued on 23rd March 2020) and to protect everyone's safety, members of the public are not advised to visit the Brixham Laboratory site and D&S IFCA offices.

There are currently no D&S IFCA staff working in the Office.

If you wish to talk to a member of D&S IFCA please call 01803 854648 which provides an automated message and further details of who to call on mobile telephone numbers.

You can also email office@devonandsevernifca.gov.uk

We will respond as quickly as possible.

If you wish to apply for a permit you can still do so online but please be aware that it may take longer than normal to process your permit application.

D&S IFCA will continue to process permit applications but D&S IFCA is not able to advise fishers regarding their use.

We will update the website and our Facebook page with more news during the coming weeks.

Thank you.
