Disposal of Dredged Material at Sea – Have Your Say

Consultation underway on the MMO Licence Application by Exmouth Marina to dispose of dredged material at sea.

A consultation is now underway that is in relation to a Marine Management Organisation (MMO) Licence application by Exmouth Marina to dispose of dredged material at sea.

The application number is MLA.2017/00372/1 and further detail can be found [here](#).

MarineSpace have been contracted by Exmouth Marina to submit a Marine Licence variation request to the MMO on their existing maintenance dredge and disposal licence.

Background Information

A supporting document in the form of a 'Site characterisation and Scoping Report' has been produced to accompany this Licence variation request and can be viewed [here](#).

Consultation

The MMO have requested that MarineSpace, on behalf of Exmouth Marina, undertake a consultation process on this variation request and supporting document. The MMO have stipulated which stakeholders must be included within this consultation.

The consultation period will end on 27th September 2019 but please be aware that this consultation is not being managed by D&S IFCA.

Please direct all responses and comments to (claire.griffiths@marinespace.co.uk) within this period for consideration.

Keep yourself informed

You can subscribe to the D&S IFCA mailing list by contacting D&S IFCA and you will then receive direct notification of our consultations and our free quarterly e-newsletter.

D&S IFCA works in partnership with other organisations such as the MMO. D&S IFCA news items can sometimes extend beyond our core working and can be of use to keep you informed about a range of topics.
