Fishers Beware: Concrete Blocks on the Seabed in Torbay

Mariners are advised about a scientific experiment in Torbay which may pose a snagging hazard to underwater apparatus

A Harbour Master Notice has been issued to advise all mariners about scientific experimentation in Torbay.

Until further notice, concrete blocks have been placed on the seabed within Torbay to facilitate the experiment in the following positions:

50° 26.90' N	003° 29.63' W
50° 26.90' N	003° 29.67' W
50° 26.92' N	003° 29.63' W
50° 26.92' N	003° 29.67' W

Or in degree decimals:

50.448333,	-3.493833
50.448333,	-3.494500
50.448667,	-3.494500
50.448667,	-3.493833

Mariners are advised that these may pose a snagging hazard to nets, lines, trawls or other underwater apparatus that is towed or placed near or on the seabed and should avoid underwater operations in the vicinity of these positions.

If you have any questions or concerns about the Notice to Mariners, please contact Torbay Harbour Authority.
