Dear Potting Permit Holder

Inshore Potting Agreement Committee

I am contacting you as a holder of a D&S IFCA's Potting Permit who operates out of Plymouth and nearby ports close to the western end of the Inshore Potting Agreement (IPA) Trawling and Crabbing Area – please see chart attached. The IPA Trawling and Crabbing Chart is reviewed on an annual basis by members of the IPA Committee who represent the different fishing sectors that may be affected by any changes in management of the areas within the IPA off the South Devon coast. There is currently a vacancy for a potter, who actively fishes in the IPA areas to the west of Salcombe toward Bigbury Bay and Plymouth, on the IPA Committee

If you are interested in joining the IPA committee, please contact me on my mobile number **07515 050887** or by e-mail s.clark@devonandsevernifca.gov.uk

If you have any questions regarding the Committee and IPA, please do not hesitate to get in touch.

Kind regards

Sarah Clark
Deputy Chief Officer
