Dear Madam,

**Transport and Works Act 1992
Transport and Works (Applications and Objections Procedure) (England and Wales) Rules 2006
THE PROPOSED NETWORK RAIL (PARSONS TUNNEL TO TEIGNMOUTH RESILIENCE) ORDER.**

Thank you for your letter asking for D&S IFCA's opinion on the whether the NR EIS Scoping Report has all the required information to form a basis of an environmental impact assessment and an environmental statement.

D&S IFCA has considered the scoping report and has some highlighted some areas of concern and added relevant information, as shown in the EIA Scoping Report Parsons Tunnel to Teignmouth D&S IFCA Response spreadsheet, which is enclosed. Also attached are two supporting documents that were submitted in relation to works and licence applications that have been proposed or taken place in this area of the South Devon Coast. They are for your information and as possible reference documents as part of the EIA.

If there is any further information you require from D&S IFCA please do not hesitate to contact me.

Yours faithfully,

Sarah Clark
Deputy Chief Officer
