Covid-19: Video News from Seafish

Watch the video news from Seafish and find out more on their website

Marcus Colman, the CEO of Seafish has released a video update that is presented on YouTube. The video provides an insight into the work of Seafish in relation to the impacts of the Covid-19 virus.

You can watch the video [here](#).

Seafish have been examining the feedback they have received and want to ensure that the voice of the Industry is heard and understood by the Government.

More updates will be provided in the coming days by Seafish.

This will include exploring market opportunities for fish sales including advice on direct sales to the public.

More Information can also be found on their website:
