Fixed Shellfish Gauges

Due to popular demand, we now have fixed shellfish gauges available to purchase.

D&S IFCA has introduced Minimum Conservation Reference Sizes (MCRS) for selected shellfish within its District. To assist fishers to remain compliant with the legislation, new gauges have been produced that are locally made from 316 stainless steel and will be of use to measure the following species:

- **Male Edible Crab (160mm)**
- **Female Edible Crab (150mm)**
- **Spider Crab (130mm)**
- **Lobster (90mm)**

The gauges can be purchased from D&S IFCA at a cost of £4.04 each. The gauges can be collected in person from the D&S IFCA office in Brixham or alternatively, they can be posted for an additional cost of £1.83.

Payment via cash or cheque.

If you have any questions regarding the gauges or the Minimum Conservation Reference Sizes, please contact us on 01803 854648 or visit our [‘Contact Us’](#) page on the website to get full details on how to contact and talk to one of our Officers.
