

Devon and Severn IFCA News

Fixed Shellfish Gauges

Due to popular demand, we have more fixed shellfish gauges available to purchase.

D&S IFCA has introduced Minimum Conservation Reference Sizes (MCRS) for selected shellfish within its District. To assist fishers to remain compliant with the legislation, gauges have been produced that are locally made from 316 stainless steel and will be of use to measure the following species:

- **Male Edible Crab (160mm)**
- **Female Edible Crab (150mm)**
- **Spider Crab (130mm)**
- **Lobster (90mm)**

The gauges can be purchased from D&S IFCA at a cost of **£5.00 each**. The gauges can be collected in person from the D&S IFCA office in Brixham or alternatively, they can be posted for an additional cost (2nd class) as follows (prices valid from 1st April 2023):

- 1 Gauge £1.85 postage
- 2 Gauges £2.40 postage
- 3 Gauges £2.70 (maximum 3 Gauges per envelope)

If purchasing more than three gauges, please contact the Office to discuss postage options and the postage costs.

Payment Methods: Cash, cheque, or Bacs.

If you have any questions regarding the gauges or the Minimum Conservation Reference Sizes, please contact us on 01803 854648 or email the Office email address:
