

D&S IFCA's Statement of Accounts for 2024/2025

Officers' Recommendation

<i>That Members approve D&S IFCA's Statement of Accounts for 2024/2025</i>

Background

The Statement of Accounts (Annex A) was presented at the Annual General Meeting of the Authority in June 2025.

Unlike in previous years, Members were not asked to approve D&S IFCA's Statement of Accounts. It was the responsibility for the Clerk (Chief Officer) to have advised the Chair of the need to approve the Accounts by asking Members to vote.

The draft minutes of the AGM in 2025, record that Members were satisfied with the Statement of Accounts, but the paper will be presented again and there will be a further opportunity to examine the Accounts and ask questions of the DCC Finance team or the Chief Officer.

Recommendation

The Chief Officer and Treasurer recommend that the Authority's Statement of Accounts for 2024/25 is approved.
